

WHAT OUR REFERRERS AND FAMILIES SAY ABOUT HOME-START NEA

*"I would recommend Home-start to people in similar situations. I found the support a great help to myself and my daughter and now find I have the confidence to become a volunteer myself."*

Mum

*"The service provided by a volunteer for mum was very much appreciated. Due to being so isolated, this service was a life-line for mum reducing the feeling of isolation and enabling mum to become more socially interactive."*
